

ISSP 2019

Copyright Form

This form must be properly completed and signed by an authorized person and accompany your manuscript submitted for publication by the committee of the International Symposium on Sputtering & Plasma Processes (hereafter ISSP committee) in the Proceedings of ISSP2019-The 15th International Symposium on Sputtering & Plasma Processes.

Title of Paper: _____

Author(s): _____

Part A - Copyright transfer

(Note: Company or other forms may not be substituted for this form. U.S. Government employees whose work is not subjected to copyright may so certify by signing Part B below.)

The undersigned, desiring to publish the above paper in the Proceedings of ISSP2019, hereby transfer their copyrights on the above paper to the ISSP committee.

Returned Rights: In return for these rights, the ISSP committee hereby grant to the above authors, and the employers for whom the work was performed, royalty-free permission to:

1. Retain all proprietary rights other than copyright, such as patent right.
2. Reuse all or portions of the above paper in other works.
3. Reproduce, or have reproduced, the above paper for the author's personal use or for company use provided that (a) the source and copyright of the ISSP committee are indicated, (b) the copies are not used in a way that implies the ISSP committee endorsement of

a product or service of an employer, and (c) the copies per se are not offered for sale.

4. Make limited distribution of all or portions of the above paper prior to publication.
5. In the case of work performed under U.S. government contract, the ISSP committee grants the U.S. government royalty free permission to reproduce all or portions of the above paper, and to authorize others to do so, for U.S. Government purpose.

ISSP committee Obligations: In exercising its rights under copyright, the ISSP committee will make all reasonable efforts to act in the interests of the authors and employers as well as in their own interests. In particular, the ISSP committee requires that:

1. The consent of the first-named author be sought as a condition in granting republication permission to others.
2. The consent of the undersigned employer be obtained as a condition in granting permission to others to reuse all or portions of the paper for promotion or marketing purposes.
